It's a small world

Directed by BILL SMIT
As Directed RICHARD SIMON

To commemorate the Silver Jubilee of the V.G.K.S. in a fit manner, a committee was formed from ordinary members to draw up a recommended programme of events. The evidence of this work has been seen in the past months and will be seen in the programme this evening.

Mr. Bill Smit and colleagues, some of whom you will see performing and others backstage, have given many hours of their free time to organize and present a first class variety show for not only V.G.K.S. members but for the community of Curaçao as well.

We welcome you and hope you enjoy our show.
